Re: Docket No. 2004-357-WS

To Whom It May Concern:

I am a resident of Laurel Meadows in West Columbia, South Carolina. I am opposed to the rate increase and any proposed revisions by Carolina Water Service. One question I have is why other area residents can pay reasonable rates i.e. \$20.00 to \$30.00 a month and sometimes even every two months. Residents that are Carolina Water Service customers are paying exorbitant prices for water and sewer rates. There have been times that I have paid over \$100 a month for service. These were disputed charges but I had no recourse and was forced to pay.

No rate increase by Carolina Water Service and no higher water bills for me and other Carolina Water Service customers!

Thank You,
